Safety Moment - Phishing

Recognize

- Read very carefully
- Is the address a formal .edu address?
- Do they ask for personal information or for you to click on a link?

Respond

- Don't give out any information
- Hover over the link and see if the url matches the claim

Report

- Forward the email AS AN ATTACHMENT to phish@utah.edu (or spam@utah.edu for spam)

Recover

- Change your passwords to accounts that may have been compromised

Your University of Utah online billing statement is now available.

If you are a student and wish to view and/or pay your bill online, please log into Campus Connection by going to campusconnect.utahl.edu and navigate to FOR STUDENTS >STUDENT CENTER. If you would like someone else to receive or pay your bill, you must set up an Authorized Payer.

If you are an Authorized Payer for a student, please go to xxxURL and enter your login name and password. (Please remember that before you can login your student must have set up an account for you.) At that time, you will be able to view the bill online, make an online payment, or print a copy of the e-bill and mail it with your payment to the address provided.

This is an automated message; we ask that you do not reply to this e-mail. If you have questions, please contact Utah at 312-362-8610 or email us at studentaccounts@testuniversity.edu.

Thank you.
